Dear Parents/Carers,

As you know in Year 6 the pupils will be taking their SATs in May. As part of their revision program the school has purchased a set of English and Maths revision guides and work books for the pupils. The pupils will be expected to take the books home every day and bring them back to school the next day.

We are asking parents to send a deposit of £10 for the revision guides as they will be reused for future Year 6 children. When the books are returned after SATs we will return your deposit. However if you wish your child to keep the revision guides, or your child loses them, the school will keep the £10.

The work books that the school has purchased are for the pupils own use and pupils can keep these.

We trust that you will encourage your child to complete the activities set by your child's teacher. We feel that giving the responsibility of taking the books home and bringing them back each day will be good preparation for your child's move to secondary school where they will have to remember equipment each day.

Thank you for your co-operation.

Yours sincerely,

Miss J. Archer
